Statement of Faith

We believe the Holy Scripture to be the divinely inbreathed, infallible, inerrant and authoritative Word of God. We believe that there is one God, eternally existent in the persons of the Holy Trinity. We believe in the virgin birth of the Lord Jesus Christ, His unqualified deity, His sinless humanity, and perfect life, the eternal all-sufficiency of His atoning death, His bodily resurrection, His ascension to the Father's right hand, and His personal coming again at His second advent. We believe that justification is a judicial act of God on the believer's behalf, solely on the merits of Christ and that regeneration by the power of the Holy Spirit is absolutely essential for personal salvation. We believe in holy living, the present day reality of the baptism of the Holy Spirit, and the Lord's supernatural healing of the body. We believe in ordinances of Christian baptism by immersion for believers, and the Lord's Supper. We believe in the eternal blessedness of the redeemed in heaven and the eternal doom of the unregenerate in the lake of fire.

Conduct Code

To ensure an effective witness, all members of Master's College and Seminary are expected to abide by the following Conduct Code. As a member of Master's College and Seminary I will:

1. maintain Christ-like attitudes of humility, thoughtfulness, and kindness toward others, consistent with being part of a Christian community (Philippians 2: 4);
2. respect the authorities which God has established (Romans 13: 1-7);
3. maintain a high standard of sexual morality, refraining from immoral behaviour including, but not limited to, pre-marital sexual activity, adultery, homosexuality, incest, involvement with pornography (I Corinthians 6: 9-10, Romans 1: 26-27);
4. maintain ethical standards consistent with Biblical principles, including integrity in relationships, refraining from improper behaviour including, but not limited to, gossip, cheating, stealing, vulgarity, profanity, and all forms of harassment (Ephesians 4: 25-32);
5. maintain evidence of a separated lifestyle, refraining from alcohol, tobacco, the abuse of drugs, gambling, involvement with the occult, and any activity that would be offensive to the Christian community (Romans 14: 13, I Corinthians 8: 9-13, Ephesians 5: 3-18);
6. refrain from improper involvement with the print, electronic and broadcast media and other forms of entertainment that are detrimental to spiritual growth in oneself and others (Matthew 12:35, Romans 12: 1, 2 and Philippians 4: 8);
7. maintain Christ-like attitudes and behaviour in relationships with the wider community, including courtesy, humility, respect, and caring (Ephesians 5: 15-17, Colossians 4: 5-6).

Any behaviour, either on campus or off, which indicates that a student has little desire to live a life honouring God, or which gives evidence of disregard for Master's College and Seminary's standards, is sufficient reason for dismissal. Students, by virtue of their enrollment, agree to live within the framework of this Conduct Code. While some may not have personal convictions in accord with these standards, agreeing to them obligates the individual to follow them while they are attending Master's, including Christmas and summer breaks. Deviations from these standards may be considered as grounds for dismissal or denial of re-admission to Master's. If an internship is terminated because of a breach of this Conduct Code the student may be required to appear before the disciplinary Committee.

If accepted, I agree to abide by the rules and regulations of Master's College and Seminary as outlined in this Conduct Code as well as in the Student Handbooks of MCS. While enrolled as a student I will conduct myself honourably at all times. I understand that Master's operates under the Statement of Faith of the Pentecostal Assemblies of Canada.

Statement of Faith

Tyndale is a trans-denominational Christian community with particular relation to the historic evangelical Christian church.

We believe that the Bible alone, and the Bible in its entirety, is the written Word of God, inspired by the Holy Spirit, inerrant in all that it teaches, and therefore absolutely authoritative as the only infallible rule for faith and life. We believe that through the power of the Holy Spirit God speaks to us in the Scriptures today to accomplish His purpose of salvation in Jesus Christ.

We believe that there is but one living and true God, the Creator, Preserver and Governor of all things, who is Spirit, infinite in being and in all perfections. We further believe that the one God exists eternally in three persons: the Father, the Son and the Holy Spirit, all three having the same nature, attributes and perfections but each executing distinct but harmonious operations in the work of creation and redemption.

We believe that Jesus Christ, the eternal Son of God, in His incarnation, united to His divine nature a true human nature and so continues to be both God and man, in two distinct natures, but one person, forever. He was conceived by the Holy Spirit, born of the Virgin Mary, perfectly obeyed the law of God, died on the cross as a vicarious and victorious atonement for sin and rose again bodily on the third day for our justification. He

ascended to the Father's right hand where He now reigns and intercedes for His redeemed.

We believe that human beings are created in the image of God as male and female and possess dignity. All people are called to glorify God, to live in relationship with God and one another, and to be stewards of the creation. We further believe that our first parents, in disobedience to God, sinned and consequently incurred physical death and spiritual separation from God, bringing sin, guilt, depravity and misery upon all humanity.

We believe that God in mercy and grace redeems all who repent of their sin and trust in Jesus Christ alone for their salvation, justifying them through faith in the Saviour and giving them new life by the Holy Spirit. God further wills that Christians grow in grace and in the knowledge of our Lord and Saviour, Jesus Christ. Believers are kept by the power of God unto eternal salvation and are called to a life of discipleship and holiness in joyful obedience to Jesus Christ.

We believe that the church is the people of God, the body of Christ and a fellowship in the Spirit of all those saved by the grace of God. We further believe that this one, holy, catholic and apostolic church expresses itself in a local body of believers and encompasses and transcends the various local, denominational and trans-denominational expressions of the life of the believing community. The church is called and sent into the world by the Triune God to declare and demonstrate

the Good News of Jesus Christ in the power of the Holy Spirit.

We believe that at a day and hour known only to God, our Lord Jesus Christ shall come again personally, bodily, visibly, gloriously, to consummate His Kingdom of righteousness and peace. We believe in the resurrection of the unrighteous unto eternal punishment and the resurrection of the righteous unto eternal glory in the new heaven and the new earth. Come, Lord Jesus, come.

Statement of Community Standards

One of the distinctives of Christian higher education is the pursuit of a community that follows the example of Jesus Christ and the teachings of the Bible. Tyndale is committed to creating the kind of environment

which will develop the whole person. We seek to foster a quality of life that will stimulate individuals to develop intellectually, physically, socially, emotionally and spiritually. We believe that living responsibly in community encourages such development.

Having such a community requires the establishment of standards that reflect our institutional mission and provide a framework for student behaviour.

Since we believe that growth to maturity is best fostered as individuals come to see the patterns that lead to faithful lives and meaningful growth, we have attempted to keep formal rules to a minimum. Instead, we have set forth community standards designed to promote an atmosphere conducive to meeting our goals for student growth.

Regulations have been developed to reflect the nature of a student community and the situations inherent in it, and are designed with the expectation that each student has maturity, intelligence and a concern for the rights of others. It is also expected that individual and institutional responsibility will combine for the benefit of the students and for the fulfillment of Tyndale's educational mission. The standards apply to all students on or off campus and to their guests when visiting campus.

Students, by registering at the seminary, agree to accept the responsibilities of membership which include adherence to the specific standards of conduct stated here and detailed more fully in the student handbook, as well as other standards and regulations which may be established while the student is registered.

Students who cannot with integrity accept these standards should seek a living-learning situation more acceptable to them. Tyndale reserves the right to refuse admission to or dismiss students who, in its assessment, are not adhering to these standards by their actions or attitudes.

Standards

Students are expected to participate regularly in the worship and ministry of a faith community of their choice, to demonstrate an attitude of respect for others in their verbal and written communication, to display mature discernment with regard to dress, to show respect for the property and privacy of others, to behave in a manner which reflects a Christian concern for

others' safety and well-being, to show respect for the different backgrounds, personalities, beliefs, and spiritual traditions of students, faculty and staff of Tyndale and to respect the rights and needs of the Tyndale community to develop and maintain an atmosphere conducive to academic study and personal growth.

Students are to refrain from practices that we, as a Christian institution, see as being outside of a biblically informed life. These include violence or threats of violence, verbal abuse, drunkenness, swearing or use of profane language, all forms of dishonest practices including plagiarism, cheating and stealing, involvement in the occult, use, possession or computer access to pornography, disorderly or disruptive behaviour, interfering with another's freedom of expression, damage to property, and sexual sins, including premarital sex, adultery and homosexuality.

Tyndale is declared an alcohol-free, drug-free, smoke-free campus. All students, staff, faculty and residents are

expected to refrain from the use of alcohol, illegal drugs, or tobacco while on campus or while involved in an event officially sponsored by Tyndale.

Possession of alcohol or illegal drugs is prohibited on campus. Those who claim the freedom to use either tobacco or alcohol off campus are expected to do so in moderation and in such a way that it is not a hindrance to others. Behaviour in relationships with the opposite sex should reflect self-discipline and be discreet and inoffensive. Responsibility is called for to maintain high moral standards as well as to be considerate and thoughtful of others.

It is expected that community members exercise careful judgment in the use of time, energy, material resources and the choice of entertainment including the Internet, television, movies, live productions and computer or video games.

It is not the intention of this summary to address or include all possible situations. These are given to provide guidelines for the kind of behaviour that is expected of everyone within the Tyndale community.
